Activist Justyna Wydrzyńska (she/her) felt compelled to help a woman in an abusive relationship access a safe abortion. But it is a crime in Poland to help a woman access an abortion outside the two remaining legal grounds, in the case of pregnancy resulting from an illegal act such as rape or incest, or danger to a woman's health or life. Now Justyna has been convicted, setting a dangerous precedent and making access to safe abortion even harder for those who seek one.

**Demand the prosecutor general take all necessary measures to ensure that Justyna's unjust conviction is overturned.**

**CHALLENGE  
INJUSTICE.**
